

New SGM Loan Offer for Civil Servants and Public Sector Employees

◀ [Retour aux actualités](#)

Société Générale Mauritanie is expanding its financing offering with the launch of a loan specially designed to meet the needs of employees of the Public Service and Public Institutions.

A Flexible Solution to Bring Your Projects to Life

This new offering enables public-sector employees to finance their personal projects with peace of mind, whether for a real estate project, the purchase of a vehicle, personal expenses, or any other need requiring financial support.

Attractive Terms and Conditions

SGM's civil servant loan stands out for its attractive features tailored to the needs of public-sector employees:

- **A maximum term of 105 months** to spread out your repayments
- **Preferential terms** specifically designed for public-sector employees
- **Priority processing** of your application at the branch

How Can You Benefit?

To be eligible for this offer, you must:

- Be an employee of the Public Service or a Public Institution
- Hold a current account with Société Générale Mauritanie
- Agree to the firm and irrevocable direct deposit of your salary into your account

A Simplified Process

Your application can be completed directly at the branch, where our Customer Advisors will guide you through every step, from providing the required documents

to signing the agreement.

For more information or to subscribe to this offer, please contact your Société Générale Mauritanie Customer Advisor.
